

ROLE OF GROUNDSPERSON

The primary role of the position of Groundsperson is to ensure that the grounds and facilities of the College are maintained in a neat, tidy, safe and hygienic manner. Groundspersons also have a role in contributing to the beautification and enhancement of the appearance and safety of the College's grounds.

The occupant of this position will also have contact with a number of personnel including academic and corporate staff, cleaners, and other Grounds Staff in relation to grounds care duties.

The position also requires that the Groundsperson possesses the ability to apply Workplace Health and Safety standards especially with regard to the use, application and storage of petrol, LP gas, insecticides, herbicides, fertilisers and chemicals, and the use of equipment.

The position of Groundsperson is responsible to the Principal through the Property Manager.

Duties and Responsibilities of the Groundsperson:

The duties of the groundsperson may include the following activities:

- preparation, marking and general care of all outdoor sporting facilities
- planting, watering and care of trees, shrubs etc.
- care of lawns and gardens etc. including regular mowing and the use of appropriate insecticides and fertilisers where necessary
- order and/or collect general grounds care supplies and materials as authorised by the Property Manager
- grounds improvement and enhancement activities such as general landscaping
- regular servicing and general maintenance of grounds care equipment i.e. mowers, brushcutters, tractors etc.
- removal and/or disposal of rubbish as required
- other duties as directed by the Principal, Director of Business and Commercial Services or Property Manager

Applications for this position should be forwarded to:
