*our* COLLEGE...

At Sheldon College, our mission is to provide a quality educational experience in an environment that encourages our students to succeed in a constantly changing world. Tuition fees alone are not nearly sufficient to pay for the extensive building and resource materials required to provide first-class, educational facilities for our students. Annual Giving enables us to fund otherwise impossible projects and meet our financial commitments.

Please direct your gift to one of the following areas:

**THE BUILDING FUND:**

This fund allows us to develop and improve the physical surrounds for our students – most recently, it has allowed us to build our state-of-the-art Sport & Entertainment Complex and our Early Learning Centre. This is a tax deductible donation.

**THE LIBRARY FUND:**

Our well resourced library requires continuing maintenance to ensure that it can provide our students with the information they need to maximise their learning experiences. This is a tax deductible donation.

**THE SCHOLARSHIP FUND:**

Just as our physical environment attracts many to our College, so does our reputation for academic excellence. However, not all families are in the financial position to send their children to the College, and as such, our Scholarship Fund opens up this opportunity for some of these families, thereby enabling us to enrich our College community. This is not a tax deductible donation.

**UNCONDITIONAL GIVING:**

Unconditional Giving generously enables the College to apply resources to an area of need. This is not a tax deductible donation.
