Film and Television

Australian School of the Arts Film and Television

The **Australian School of the Arts – Film and Television** is designed for talented students who possess a passion for Film and Television and a vision for a career in the Media industry.

The course offers students the ability to gain a Nationally Recognised Certificate III in Screen and Media (CUA31015) within the senior program.

The course provides a strong foundation in fundamental training and industry specific knowledge, including participation in regular master classes and workshops directed by industry-trained specialists at the cutting edge of their field.
