

Mathematics Teacher

POSITION:	Mathematics Teacher
DEPARTMENT:	Mathematics, Academic Staff
RESPONSIBLE TO:	Principal / CEO
REPORTS TO:	Director of Teaching and Learning Secondary

Sheldon College is an independent, co-educational, non-denominational College situated in Redland City, catering for students from 15 months of age through to Year 12. Our mission is “to provide a quality educational experience in an environment that encourages and enables our students to succeed in a constantly changing world”.

We provide a first-class curriculum in the academic, sporting and cultural arenas, and have access to state-of-the-art classrooms, laboratories, resource centres and studios, as well as cultural, performing arts and sporting facilities. This ensures we deliver on our commitment to provide outstanding education in a safe, secure learning environment, underpinned by our philosophy of Love, Laughter and Learning.

The unique structure of our College supports an energetic, dynamic learning environment, rich with love and laughter. We strive to deliver exciting, challenging and rewarding experiences to our students on a daily basis to engage passionate and inquiring minds, create the foundation for lifelong learning and to position our students in the best way possible to take advantage of all that the world has to offer.

Our teachers are our most valuable investment. Every member of our academic staff plays a key role in delivering excellence in education through commitment to our College Values:

- Student success
- Excellence in teaching and learning
- A safe, orderly and supportive learning environment
- Collaborative home, College and community partnerships
- Shared decision making
- Recognition and reward
- Service orientation
- Continuous improvement
- High standards in dress, appearance, behaviour and work habits
- Support for individual needs – intellectual, emotional, social, spiritual and physical.

POSITION OVERVIEW

You will be responsible for delivering a cutting-edge mathematics curriculum at Sheldon College. Working with a dynamic team of dedicated Mathematics educators, your goal will be to enhance the numeracy and problem-solving capabilities of students.

POSITION REQUIREMENTS

- Ability to plan and deliver exceptional teaching and learning programs that meet the needs of students in Mathematics Methods, General Mathematics and Years 8 to 10 Mathematics.
- Passion for quality teaching and learning and the ability to translate this into a challenging learning environment with strong student engagement and excellent academic outcomes.
- Ability to create a safe, secure learning environment in which trust is fostered, individual differences are respected and valued, and students are encouraged to be risk takers and self-directed learners
- Capacity for reflection and self-directed learning with a commitment to continuously improve teaching practices
- Ability to apply creative and innovative practices and processes in education and digital platform tools to support student learning
- Strong team orientation with the willingness to contribute and collaborate
- Ability to establish effective relationships with colleagues and parents and partnerships within the wider community
- High standards of personal integrity and professionalism
- Registration with the Queensland College of Teachers

DESIRABLE

- Relevant teaching qualifications majoring in Mathematics.
- QCAA accreditation and training in new 2019 Syllabus documents relating to Mathematical Methods or General Mathematics.

RESPONSIBILITIES

- Plan, prepare and deliver exceptional teaching and learning programs for students which:
 - focus on improving student learning and promoting academic excellence
 - are consistent with relevant syllabi, curriculum policies, work programs and educational trends
 - address the needs of the learner and differentiate learning experiences, and
 - ensure students meet the highest levels of academic performance
- The ability to utilise technology in the teaching of Mathematics, where appropriate
- Deliver project-based learning opportunities for student collaboration across the curriculum
- Maintain teaching competency and currency of knowledge of teaching practices to improve student achievement, with a focus on literacy and numeracy, as well as general educational trends
- Support students through the active development of a safe, secure learning environment
- Provide for the physical, social, cultural and emotional wellbeing and physical safety of students whilst at school
- Maintain high standards of dress and appearance, actively promote the College's Values and adhere to the College's Staff Code of Conduct, Duty of Care Handbook, workplace health and safety requirements, as well as all other policies, procedures and guidelines
- Establish and maintain effective relationships between the College and community
- Participate in team meetings, school decision making processes and professional development activities as required
- Any other duties as required
