

Sheldon College Position Description

Teacher – Health and Physical Education (Primary Specialist)

Department:	Health and Physical Education
Responsible to:	Principal
Reports to:	Acting Director of Teaching and Learning

Welcome to Sheldon College

Sheldon College is an independent, co-educational, non-denominational College situated in Redland City, catering for students from 15 months of age through to Year 12. We provide a first-class curriculum in the academic, sporting, and cultural arenas with access to state-of-the-art classrooms, laboratories, resource centres and studios, as well as cultural, performing arts and sporting facilities. This ensures we deliver on our commitment to provide outstanding education in a safe, secure learning environment, underpinned by our philosophy of Love, Laughter and Learning.

Position Overview

An exciting opportunity has arisen for a full-time teacher who specialises in the area of Health & Physical Education – specifically primary education. You will be responsible for delivering a cutting-edge curriculum at Sheldon College. Working with a dynamic team of dedicated educators, your goal will be to enhance the capabilities of students within the Health & Physical Education faculty.

Your Responsibilities

- Plan, prepare and deliver exceptional teaching and learning programs for students which:
 - are consistent with relevant syllabus documents, curriculum policies, work programs and educational trends,
 - address the needs of the learner and differentiate learning experiences, and
 - ensure students meet the highest levels of academic performance.
- Deliver project-based learning opportunities for student collaboration across multiple curriculum areas.
- Maintain teaching competency and currency of knowledge of teaching practices to improve student achievement, with a focus on physical education, as well as general educational trends.
- Support students through the active development of a safe, secure learning environment.
- Provide for the physical, social, cultural and emotional wellbeing and physical safety of students whilst at

school.

- Maintain high standards of dress and appearance, actively promote the College's Values and adhere to the College's Staff Code of Conduct, Duty of Care Handbook, workplace health and safety requirements, as well as all other policies, procedures and guidelines.
- Establish and maintain effective relationships between the College and community.
- Participate in faculty meetings, school decision making processes and professional development activities as required.
- Any other duties, as required.

Position Requirements

- Relevant tertiary teaching qualifications majoring in Health & Physical Education and Primary Education.
- Registration with the Queensland College of Teachers (QCT).
- Ability to plan and deliver exceptional teaching and learning programs that meet the needs of students in Health & Physical Education according to ACARA and QCAA.
- Passion for quality teaching and learning and the ability to translate this into a challenging learning environment with strong student engagement and excellent academic outcomes.
- Ability to create a safe, secure learning environment in which trust is fostered, individual differences are respected and valued, and students are encouraged to be risk takers and self-directed learners.
- Capacity for reflection and self-directed learning with a commitment to continuously improve teaching practices.
- Ability to apply creative and innovative practices and processes in education and digital platform tools to support student learning.
- Strong team orientation with a willingness to contribute and collaborate.
- Ability to establish effective relationships with students, parents and colleagues and partnerships within the wider community.
- High standards of personal integrity and professionalism.
- Ability to be a proactive and collaborative member of a team.
- A warm, welcoming and friendly disposition.

Desirable Skills

- Expertise in teaching primary education would be advantageous. This position may require the successful applicant to teach Health & Physical education to students from Preparatory to Year 10.
