

Sheldon College BYOD Checklist 2023

The Sheldon College 'Bring Your Own Device' (BYOD) Program for students in Years 4 to 12 is an essential ingredient in your child's success in all areas of the curriculum.

Please consider this specification checklist when making your purchase.

RESPONSIBLE USE AGREEMENT

All students and carers must agree to use digital technologies and the internet in a safe, ethical and responsible way.

WHAT DEVICE TYPE CAN I BRING?

Phone Mini Tablet Tablet Laptop

SUITABLE PLATFORMS

Chrome OS Windows Mac OS

SOFTWARE

Sheldon College students are able to download software free including Windows 10, Microsoft Office 365 and the Adobe CC Suite.

WHERE CAN I PURCHASE A LAPTOP?

A dedicated purchasing portal has been developed with **The School Locker**, our recommended supplier for BYOD solutions. The School Locker technology range includes the devices and brands best suited to education. Many of these are not available in other stores.

Their products are education specific and selected for their compatibility to our ICT infrastructure and curriculum, as well as meeting the student's needs at home. The customised BYOD portal provides a simple step-by-step system that allows you to purchase devices, accessories, extended warranty and accidental damage insurance all from the one place.

HOW DO I ACCESS THE SCHOOL LOCKER PORTAL?

Get started by assessing the Sheldon College devices at: theschoollocker.com.au/schools/sheldon-college/technology

unlock their potential.

Please note, we do not provide a "Student Advantage Card". Users will need to "Generate a Student Advantage Number" to assign the Student Advantage Number when creating an account.

MINIMUM DEVICE SPECIFICATIONS

<input type="checkbox"/> Physical Dimensions	Screen Size: 13" (Minimum)
<input type="checkbox"/> Operating System	Windows 11 (ICT will be able to assist with upgrading the OS to Pro/Education) MacOS 12.0X
